

Global Village Fair – The Mothers' Union Ethical Gifts Project

Global Village Fair is an online shopping catalogue that enables you to purchase gifts for friends of family that help people in developing countries by supporting Mothers' Union projects there.

Using this website you can choose from a wide range of gifts suitable for any occasion and at any time of the year – birthdays, anniversaries, weddings, leaving present or just a way of saying thank you.

When you give a gift from the catalogue, you are buying a virtual gift. If you choose, for example, 'Cow know-how, you will be helping others to learn about rearing their own livestock, saving schemes as they work their way up from chickens to cows..

You receive a card for each gift you're giving. Each card has details of your gift, and comes with an envelope ready for you to personalise and send.

It's as simple as that ...so place your order and know that you are helping people around the world who are less fortunate than most.
